

A long-term partnership resulting in a stronger, more agile solution that opened up opportunities ENAVATE's ISV Services team worked with Imagine Communications, a provider of consolidated invoicing and financial solutions to advertising and media companies, to upgrade their solution from Microsoft AX2012 to Microsoft Dynamics 365 for Finance and Operations. ENAVATE managed a team of six team members to upgrade the solution, and then implement with customers, including Time Warner Cable and Spectrum.

ENAVATE also supported Imagine Communications in its onboarding as a Microsoft partner in the Microsoft AppSource marketplace.
